

**VILLAGE OF LAC LA BELLE
PARK PLANNING COMMITTEE MEETING MINUTES**

May 6, 2026

Public Works Superintendent Sam Salzman called the meeting to order at 9:02 a.m. at the Mapleton Community Center. Committee members present included Connie Cummings, Dan Napgezek and Village Trustee VJ Scully. Village Trustee Erik Mullett was excused.

Approval of Minutes for April 8, 2026 meeting:

Committee member Napgezek made a motion to approve the minutes from the April 8, 2026 meeting. Committee member Scully seconded. Unanimously passed.

Public Comments:

No public comments.

Discussion on location of signage at the Mapleton Community Center:

The committee walked the property to discuss possible locations for the new signage. After lengthy conversation, the members all agreed on the new locations for signage will be one right by the road and one before entering the parking lot. Once the signs have arrived, the Department of Public Works will install.

Visit Monterey Dam Parcel:

Committee walked parcel looking for possible locations to enter the river to kayak. They decided it would be beneficial for the committee to kayak the river to help determine if it would be necessary to install steps down to the river for a kayak launch.

Visit Lac La Belle Villa Drive Parcel:

The committee met with a resident who resides on Lac La Belle Drive and walked his property to view the lot lines. The resident informed the committee of the encroachment happening onto the Village owned land and was looking for guidance on how to address the situation.

Visit Tamarack Lake access:

The final stop for the committee was Tamarack Lake access. Discussion was had about a possible launch site for kayak launch and/or pier. It was agreed upon to come back to this location mid-summer to evaluate the feasibility of launch at this site.

Any Other business:

Committee Napgezek brought plans for the pavilion at Pondview Park.

Adjourn:

Adjourned meeting at 11:15 pm.

Respectfully submitted –
